2.1 Telephone Call Restriction (TCR)

2.1.1 General

- (A) Telephone Call Restriction (TCR) provides for the blocking of selected outgoing calls. This service will block long distance calls, including intra-island, interstate, international calls and calls to the local Cellular and Radio Messages ("Paging") network. It will permit calls to 800 numbers and to the Local Directory Assistance Service (Information 411).
- (B) Telephone Call Restriction will be available to customers with individual Residence Service, Business Service or PBX Trunks.
- (C) Calls blocked by this service will be directed to a recorded announcement in the Central Office.
- (D) Telephone Call Restriction Service is provided only from central offices, which have been arranged to provide this service. The service is provided subject to the availability of facilities. (T)
(T)
- (E) Customers who subscribe to Telephone Call Restriction Service and electing to block the access to the Operators Assistance Services are required to place a Company provided sticker on each restricted telephone indicating that the operator cannot be accessed for any purpose. In addition, it shall be the responsibility of the customer to notify to all authorized users of this service that it is impossible to access the operator by means of the restricted telephone. (T)
(T)
(T)
- (F) The Company shall not be liable to any person for damages of any nature or kind arising out of, resulting from, or in connection with the provision of the service offered herein, including, but not limited to the inability of the station used to access the operator for any purpose.
- (G) One (1) blocking option per telephone line will be provided.
